Proclamation

Parental Alienation Awareness Day

April 25, 2021

WHEREAS parental alienation can occur when a child becomes estranged from one parent as a result of a high conflict parenting situation.

The challenges of parental alienation can often lead to long-term emotional harm to a child including issues of trust, depression, and anxiety.

Parental Alienation Awareness Day raises awareness about this issue and how it can affect children. We are reminded that we should all act in the best interest of children in our community.

NOW THEREFORE, I, Mayor John Tory, on behalf of Toronto City Council, do hereby proclaim **April 25, 2021** as "**Parental Alienation Awareness Day**" in the City of Toronto.

John Tory
Mayor of Toronto
